ADDITIONAL INFORMATION

PROPERTY	DETAILS
Bond Strength	Good internal bond strength
Dimensional Stability	Good dimensional stability
Color Stability	Good color stability
Printing Compatibility	Gravure and flexo printing
Surface	Natural grasscloth with fleece backing
Application	Wallcovering - glued

PRODUCT DESCRIPTION

285 gsm Natural Grasscloth wallcovering with fleece backing, featuring an embossed surface with natural grass texture. Good internal bond strength and dimensional stability. Suitable for gravure and flexo printing. Applied as wallcovering, glued to non-combustible substrate.
